

**What's all the excitement
about?**

ASME **E** **F** **X**®

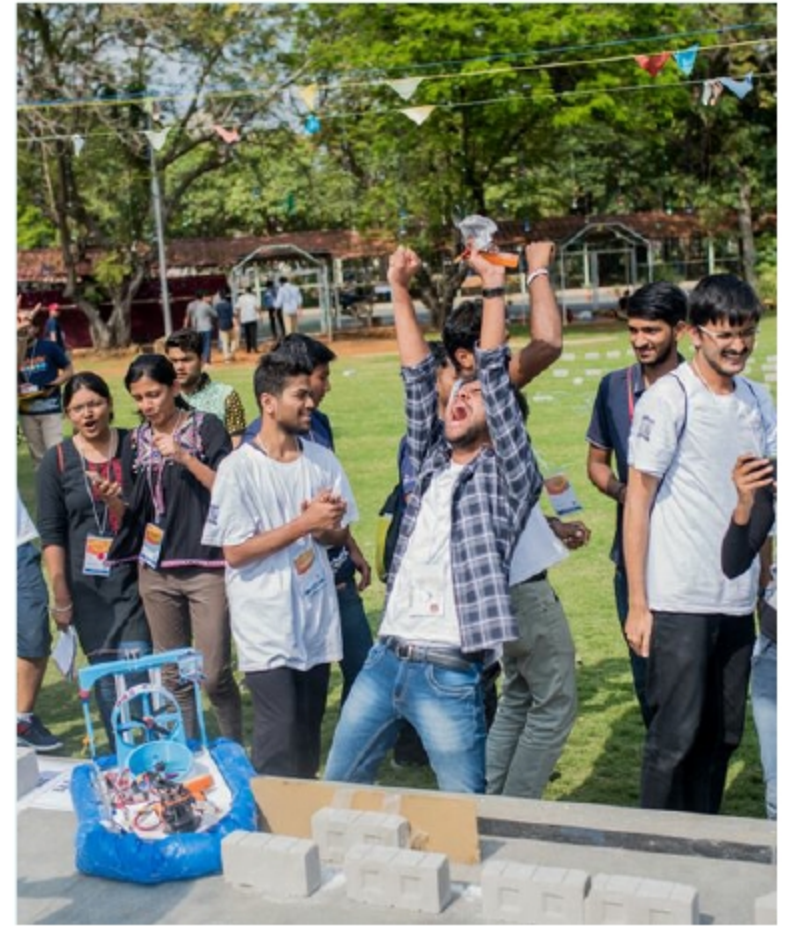

What Happens at an ASME EFx[®]...

Innovate,

Create, Compete....

Celebrate!

What is an EFx?

You build and shape your event....

- 1/2 to single-day long program
- Conclave for students and early career engineers
- Technical programming
- Career and professional development content
- Social and networking activities
- Impromptu competitions or competition “how to” workshops

Why Should My School Host an EFX?

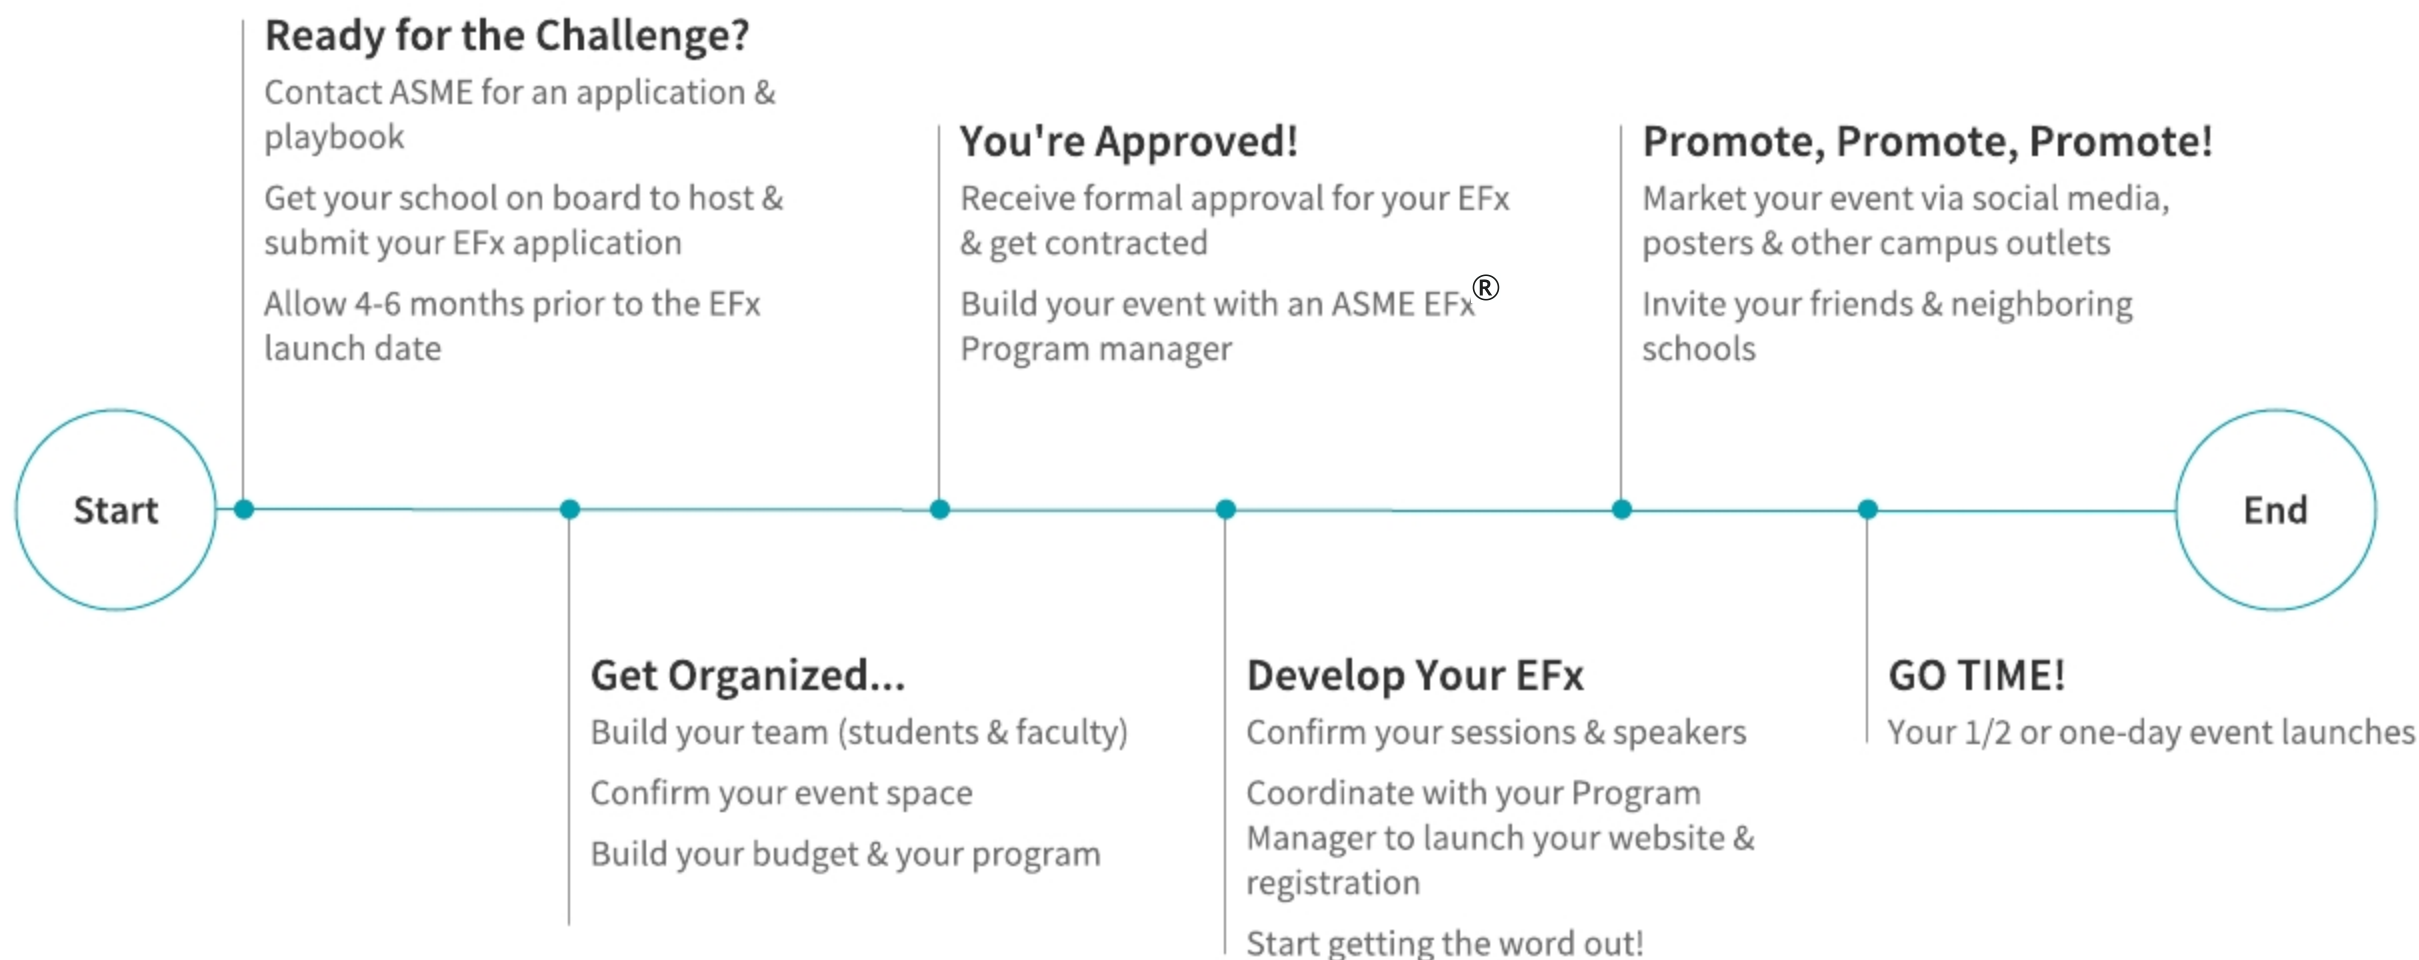

- Low Budget
- Easy to organize
- You define the program / content
- Great for team-building, section-building and leadership-building
- Support from ASME
- BE CREATIVE AND HAVE FUN!

2018 Pilot Events: India, Mexico and New York

- Over 2,700 engineering students attended
- Over 800 students joined ASME
- 140 universities were represented
- 9 new ASME student sections were created

Countdown to your EFx
